Adult Center Opens New Term Monday

The Albany Adult Education Center today announced plans for an eight-week summer session running from July 2 through August 1.

A large number of day and evening classes will be offered to youngsters and adults, according to Robert G. Dennis, principal.

Continuing a policy established two years ago, the Board of Education has authorized the admission of students from grades six to 12 in a large number of adult classes scheduled at Albany High School.

Young students will be admitted to classes in applied arts, braiding, rug making, drawing and painting, dressmaking, hooked rug making, Italian cooking, leathercraft, millinery, photography, pottery and mail making, typing and machine calculation.

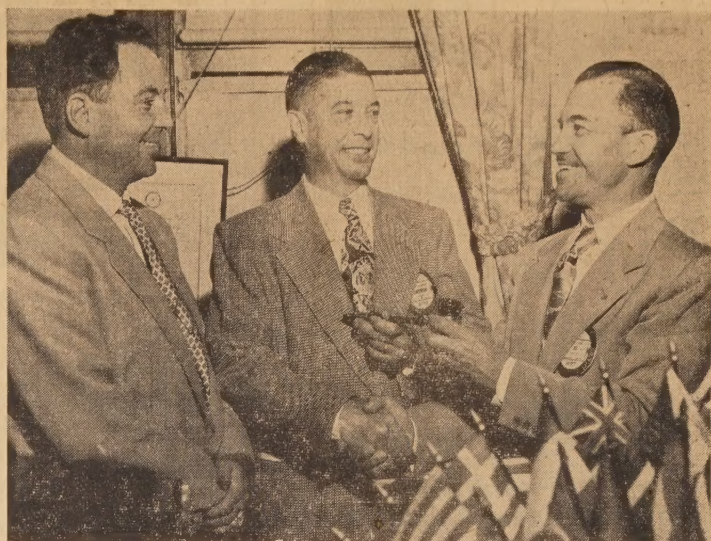

The opening of summer classes for students will greatly increase the opportunity for them to make constructive use of their leisure time," said Dr. Philip F. Meads, board president. "If demands for enrollment are high," he said, "additional classes in these fields will be started."

Elementary and high school students are not required to pay the registration fee charged adults, although they must provide their own supplies. The adult fee will cover enrollment in any course at the Adult Center from July 2 to December 31.

The following courses will be offered during the summer:

Day Classes—Applied Arts (copying, Dresden craft, shell craft and ceramics lace work), braided rug making, dressmaking, hooked rug making, infant guidance, millinery, plant nursery, pottery and mold making, swimming, upholstery and roadshop and furniture refinishing.

Evening Classes—Applied Arts, auxiliary police training, braided rug making, drawing and painting, dressmaking, hooked rug making, Italian cooking, leathercraft, machine calculation, millinery, photography, preschool methods and techniques, social dancing, swimming, typing and upholstery.

GEORGE HOLLFELDER, center, newly installed president of Albany Rotary Club, receives gavel and firm handshake from the retiring prexy, Elmer Coble, right. Looking on is Lloyd Gordon, who succeeds George Irwin as secretary. Other officers installed at the Monday luncheon were Dick Thomssen, treasurer, and new board of directors, Bob Leone, Curt Campbell and Harold Denham—Courtesy Gazette.

Albany Children to Attend County Fair

A large group of Albany children will participate in the Alameda County Recreation Day at Pleasanton next Monday.

The day at the fair, sponsored by Bay Area recreation departments, is designed to give children an opportunity to visit the fairgrounds and provide stimulating recreational experiences, according to Emmett Devine, director of Albany Recreation Department.

Organized low games are scheduled from 10 a. m. to 12 noon, followed by a picnic from 12 to 2 p. m. Kickball, softball and folk dancing will be held from 2 to 4 p. m.

There will be no admission charge to the fairgrounds but children are requested to carry a lunch for the picnic. A charter bus will leave the Recreation Department, 850 Masonic Ave., at 8:30 a. m. and return at approximately 5:30 p. m.

Bus space is limited and parents interested in transporting children may contact Devine. Children eight years of age and over interested in attending are requested to contact recreation directors at the parks.

Council OK's Racing Tax

Pre-School Mothers Install New Officers

Mrs. Marjorie Keek, 722 Carmel Ave. was installed as president of Albany Pre-School Mother's Club at a gala installation dinner Wednesday evening at the Willow's in Orinda. She succeeds Mrs. Dorothy Crouch, who will serve as parliamentarian for the coming year.

Other new officers installed at the informal ceremony were the Mesdames Margaret Tashlin, vice-president; Corrine Bush, secretary; Doris Schangard, treasurer; Mary Parsons, hospitality; Irene Anderson, ways and means; Sara Jane Haller, publicity; Delores Rogers and Ruth Freeborn, social co-chairmen; Rose Ponchione, repairs; Ivis Thomas, budget; Dorothy Comp-ton, auditor, and Bernice Lyons, health.

\$100 Per Day Levy During Season

The City Council Monday night approved the first reading of an ordinance imposing a \$100 per racing day license tax on Golden Gate Fields in addition to the present five-cent tax on admissions.

Introduced by Councilman John C. Longaker, the measure passed 3 to 2 with Councilmen Frank Graeber and Mrs. Kathie Zahn voting against it.

Graeber and Mrs. Zahn rejected the proposal on the ground that the city stands a chance of losing the \$30,000 from admission tax in order to collect \$4000 from the new license fee.

Speaking before the Council, Charles Coughlin, attorney for the race track threatened to contest the collection of the license tax in court if it is "discriminatory." He said "we must take whatever steps are necessary to combat the tax."

"I'll go all the way with you into the courts," Longaker answered. "I'm not going to be threatened by the race track."

Coughlin said that Berkeley presently collects the \$100-a-day tax and that it was not the intention of the Legislature to force the track to pay the same tax to two cities. He said a previous Council a few years ago agreed to forgo the \$100 tax in favor of the present five-cent admission tax.

Longaker pointed out that Albany receives the lowest track revenue of any city in the State where tracks are located. He said Arcadia, with a population slightly larger than Albany, received \$127,000 from Santa Anita last year, compared to \$17,000 Albany received from Golden Gate Fields.

In other business, the Council postponed decision on granting a building permit for construction of a \$80,000 service station at the southwest corner of Solano Ave. and Neilson St. The Council will decide the issue after meeting with the Planning Commission next Monday night.

The Council instructed the City Attorney to draft a new ordinance which would permit the Health Department to inspect all establishments where food is sold. The present ordinance only covers restaurants and bars.

The United Nations flag was presented to the city as a gift from the Soroptimist Club. Presentation was made by Mrs. Edith Lemmon, president, and Mayor Jerome Blank accepted for the city.

The Exchange Club was given permission to construct its Freedom Shrine on property at Cornell and Talbot Aves., site of the new proposed city library.
